

## Your Oral Health Is Important To Us!

We want to ensure that we have reserved enough time to provide the highest quality of care, so we ask that every patient arrive on time for their scheduled appointment.

We value your time and are committed to providing all our patients with exceptional care. Due to the high demand for appointment times, we require a 48hr notice if you need to make changes to your scheduled treatment or appointment time.

When a patient cancels without giving enough notice, they prevent another patient from being seen. Therefore, we require that you notify us of any changes or cancellations **at least 48hrs** prior to the appointment. If prior notification is not given, you will be charged **\$50 per scheduled hour** for the missed appointment.
